**OTHERS**

1. What are your greatest strengths?

One of my greatest strengths is being a quick learner. I adapt easily to new tools and environments, which helps me keep up with fast-changing tasks.  
I'm also detail-oriented and responsible when it comes to completing assigned work. If I don't know something, I take initiative to study and improve.

2. What can you contribute to this company?

I can contribute by bringing fresh perspectives, technical knowledge, and a willingness to learn quickly.  
I'm ready to help with tasks related to software, documentation, or system support, depending on what the company needs.  
I'm committed to giving my best effort, meeting deadlines, and supporting the team to achieve its goals.

**DECLARATION**

I hereby declare that all the information given in this employment application form is true and complete. Any false information provide would subject me to possible disciplinary action by the Commission.
